

Outdoor Protective Lighting Security lighting solutions

Affordable, energy-efficient lights for brighter nights.

Did you know DTE Energy offers a variety of Outdoor Protective Lighting (OPL) options to enhance safety and security, and improve peace of mind, in and near the alley(s) adjacent to your property?

It's true! We have more than 100 years of experience delivering creative lighting solutions to customers across southeast Michigan, and we're uniquely qualified to make your property more welcoming to the people you want to visit, and less welcoming to potential trespassers.

Program requirements:

- You must be a DTE Energy electric customer.
- Your electric account must be in good standing.
- You must sign an Outdoor Protective Lighting agreement.
