

Outdoor Protective Lighting Residential solutions

Whether you need a single light or hundreds of lights, we'll deliver a custom solution tailored to your unique needs.

If you're a homeowner who needs additional light around your house or condo, or a member of a homeowners' association looking to enhance safety and ambience – and improve property values – in your neighborhood, we've got you covered.

Our team of residential lighting experts has more than 100 years of experience developing custom lighting plans for communities across southeastern Michigan. We have the insight and experience necessary to deliver a lighting solution that promotes security, and encourages walking, jogging and nighttime activities in your neighborhood, without sacrificing character that makes your home ... well, "home."

Contact us for a **FREE** estimate!

When you do, our experienced, insightful team will deliver a **FREE**, no-obligation cost of enrollment.
